*** Number reported from the voting system. This number will be updated as local boards count ballots.

**** Ballots left to count is the number of ballots received minus the number of ballots canvassed. For most local boards, the true number of mail-in ballots left to count will be smaller than the number listed becuase some mail-in ballots are counted during the provisional canvass (which took place on November 16th and/or 17th in for most local boards), in order to keep private the identity of provisional voters. When the mail-in ballot canvass for each local board is complete, the mail-in ballots left to count is zeroed out, as there are no more ballots left to count.
